# TOWN WARRANT

## The State of New Hampshire

---

To the inhabitants of the Town of Gilford in the County of Belknap in said State, qualified to vote in Town Affairs:

You are hereby notified to meet at Gilford Elementary School in said Gilford on Tuesday, the 5th of March, 1974, at 8 of the clock in the forenoon (Polls to be open from 8 a.m. to 7 p.m.) to act upon the following subjects:

**Article 1.** To choose the necessary Town Officers for the ensuing year.

**Article 2.** To choose delegates to the Constitutional Convention.

**Article 3.** To see what action the town will take on the following questions:

1. Are you in favor of adoption of amendment No. 1 as proposed by the Planning Board for the Town Zoning Ordinance to amend Article III, Section E, Signs; in order to include revisions such as requirements for larger signs in the Commercial and Industrial Districts, regulations for Cooperative-Directional Signs, regulations for signs in the proposed Professional District, and place all present sign requirements in this one section, and also delete the sign requirements now included in Article VIII-B?

2. Are you in favor of adoption of amendment No. 2 as proposed by the Planning Board for the

Town Zoning Ordinance to amend Article III, subparagraph F., dealing with Sanitary Protection in order to conform with both Town and State regulations?

3. Are you in favor of adoption of amendment No. 3 as proposed by the Planning Board for the Town Zoning Ordinance to amend Article III by inserting a new subparagraph I. in order to allow school bus shelters?

4. Are you in favor of adoption of amendment No. 4 as proposed by the Planning Board for the Town Zoning Ordinance to amend Article V, Section A. in order to assure residents that a home occupation will not affect the residential character of the area?

5. Are you in favor of adoption of amendment No. 5 as proposed by the Planning Board for the Town Zoning Ordinance to amend Article VIII, Section B. in order to allow more flexibility of set-backs for the Commercial District?

6. Are you in favor of adoption of amendment No. 6 as proposed by the Planning Board for the Town Zoning Ordinance to amend Article X by referring to the authority of the Gilford Village Historic District Commission?

7. Are you in favor of adoption of amendment No. 7 as proposed by the Planning Board for the Town Zoning Ordinance to amend Article XI, Section D. to allow cluster development in the Residential District under particular circumstances?

8. Are you in favor of adoption of amendment No. 8 as proposed by the Planning Board for the Town Zoning Ordinance to amend Article XI by in-

serting a new subparagraph "F" intended to be used as a guideline for development including both attached and/or detached dwellings, and large scale recreational open space under particular circumstances?

9. Are you in favor of adoption of amendment No. 9 as proposed by the Planning Board for the Town Zoning Ordinance to add a new Article V-A., PROFESSIONAL DISTRICT Intended to provide guidelines for the inclusion of buildings housing certain businesses in the area of the intersection of the by-pass and Route 11-A, as designated on a map of Gilford on file with the Town Clerk and displayed at Town Meeting; and also revise the boundary description of the Residential District to include the Professional District?

10. Are you in favor of adoption of amendment No. 10 as proposed by the Planning Board for the Town Zoning Ordinance to amend Article VII, Section E. in order to increase the area required for apartment buildings in the Commercial District?

11. Are you in favor of adoption of amendment No. 11 as proposed by the Planning Board for the Town Zoning Ordinance to amend Article XI, Section E. in order to increase the area required for apartment buildings in the Residential-Agricultural District?

12. Are you in favor of adoption of amendment No. 12 as proposed by the Planning Board to revise the boundary description of the Industrial District to permit a certain area along Route 11 near Lily Pond to be included in the Commercial District rather than the Industrial District?

13. Are you in favor of adoption of amendment

No. 13 as proposed by the Planning Board for the Town Zoning Ordinance to amend Article XVI by inserting a new subparagraph "S" in order to clarify the definition of "dwelling"?

14. Are you in favor of adoption of amendment No. 14 as proposed by the Planning Board for the Town Zoning Ordinance to amend Article XVII in order to provide for periodic updating of the Wet Lands Map upon recommendation of the Soil Conservation Commission?

15. Are you in favor of adoption of amendment No. 15 as proposed by the Planning Board for the Town Zoning Ordinance to amend Article XIX, in order to provide regulations within the Gilford Village Historic District?

16. Are you in favor of adoption of amendment No. 16 as proposed by the Planning Board for the Town Zoning Ordinance to amend Article II in order to revise and update dates, appropriate boundary descriptions and maps, titles of Districts and other matters in order to conform with all amendments which are adopted at Town Meeting, on March 5, 1974?

**Article 4.** To see what action the Town will take on the following question: "Shall the provision of absentee ballot for the election of Town Officers be adopted by this Town?"

**Article 5.** To see what action the town will take on the following question: "Shall we adopt the homeowners exemption provisions of RSA Chapter 72 granting a \$5,000 exemption based on equalized assessed valuation on all owner-occupied units and a \$10,000 exemption based on equalized assessed valu-

ation on all owner-occupied units owned by persons over sixty-five years of age?"

ARTICLES 1, 2, 3, 4 and 5 ARE TO APPEAR ON THE OFFICIAL TOWN BALLOT.

**Article 6.** To see what sum the Town will vote to raise and appropriate to defray the general governmental expense of the Town for the ensuing year, including: Town Officer's Salaries, Town Officer's Expenses, Election and Registration, Town Hall and Other Town Buildings, and Employees Retirement and Social Security.

**Article 7.** To see if the town will vote to raise and appropriate thirty one thousand dollars (\$31,000.00) for the following: design or redesign of the present fire station, repairs to present fire station, planning for implementation of the municipal building capital improvement program, and authorize the withdrawal of twenty thousand dollars (\$20,000.00) from the Revenue Sharing Fund (established under the provisions of the State and Local Assistance Act of 1972) for the repairs to the fire station, the balance of the appropriation to be raised by taxes.

**Article 8.** To see if the Town will vote to raise and appropriate the sum of one hundred thirty one thousand one hundred sixty two dollars (\$131,162.00) for the support of the Police Department and to authorize the withdrawal of six thousand eight hundred dollars (\$6,800.00) from Revenue Sharing Funds established under the provisions of the State and Local Assistance Act of 1972, the balance of the appropriation to be raised by taxes.

**Article 9.** To see what sum the Town will vote to

raise and appropriate for the support of the Fire Department.

**Article 10.** To see whether the Town will vote to raise and appropriate the sum of twenty four thousand dollars (\$24,000.00) for the purchase of a rescue and forestry vehicle and related equipment for the Fire Department; provided, however, that no part of said appropriation shall be expended unless the federal government reimburses the Town in an amount not less than twelve thousand dollars (\$12,000.00). (By Petition) (Disapproved by the Budget Committee)

**Article 11.** To see what sum the Town will vote to raise and appropriate for the support of the following items: Conservation Commission, Insurance, Planning and Zoning, Damages and Legal Expense and Civil Defense.

**Article 12.** To see what sum the Town will vote to raise and appropriate for the purchase of new equipment for the Lakes Region General Hospital.

**Article 13.** To see what sum the Town will vote to raise and appropriate for the following health services: Ambulance Service and Home Care Services.

**Article 14.** To see what sum the Town will vote to raise and appropriate for the support of the town dump.

**Article 15.** To see what sum the Town will vote to raise and appropriate for the support of a sanitary land fill.

**Article 16.** To see what sum the Town will vote to raise and appropriate for street lighting.

**Article 17.** To see what sum the Town will vote to raise and appropriate for Highway Department Expense and to authorize the user of State Highway Subsidy Funds.

**Article 18.** To see if the Town will vote to raise and appropriate the sum of \$1,098.68 for maintenance, construction or reconstruction of Class V Highways. (State to contribute \$7,324.52)

**Article 19.** To see what sum the Town will vote to raise and appropriate for the support of the Public Library.

**Article 20.** To see what sum the Town will vote to raise and appropriate for the support of Welfare and the Community Action Program.

**Article 21.** To see what action the Town will take on Bicentennial and Memorial Day observances and appropriate funds for the same.

**Article 22.** To see what sum the Town will vote to raise and appropriate for the operation, maintenance and improvement of Parks, Playgrounds, and Beaches, and the observance of Old Home Day.

**Article 23.** To see if the Town will vote to raise and appropriate \$27,860.00 for two additional tennis courts, nets, lights and fencing to resemble and adjoin the present ones in the Village Field. (50% matching funds) (By Petition) (Disapproved by Budget Committee)

**Article 24.** To see what sum the Town will vote to raise and appropriate for the Laconia Water Works in payment of hydrant rental and inch-foot charge in the Ridgewood Ave., Bedford Ave., Collins Heights

area and for the support of the Area Energy Committee.

**Article 25.** To see what sum the Town will vote to raise and appropriate for the care of Cemeteries.

**Article 26.** To see what sum the Town will vote to raise and appropriate to be contributed toward the support of the Lakes Region Association, for the purpose of publicizing and promoting the natural advantages and resources of the Town in cooperation with other towns in the Lakes Region.

**Article 27.** To see what sum the Town will vote to raise and appropriate for principal and long term notes and bonds, interest on long term notes and bonds and interest on temporary loans.

**Article 28.** To see if the Town will vote to raise and appropriate the sum of twenty thousand dollars (\$20,000.00) for new highway equipment and to authorize the withdrawal of eighteen thousand dollars (\$18,000.00) from the Revenue Sharing Fund established under the provisions of the State and Local Assistance Act of 1972, the balance of the appropriation to be raised by taxes.

**Article 29.** To see what sum the Town will vote to raise and appropriate for new highway construction.

**Article 30.** To see what action the town will take on the following question: Are you in favor of increasing the membership of the Gilford Village Historic District Commission from the present five (5) members to seven (7) members?

**Article 31.** To see if the Town will vote to adopt the provisions of RSA 55:9a and RSA 55:9b as

amended by Chapter 124 of the Laws of 1973 giving the Town Clerk all the powers and duties of City Clerks as provided therein. (The registering of new voters as presently being done by City Clerks)

**Article 32.** To see if the Town will vote pursuant to RSA 31:105 to provide indemnification for any person employed by it and for any member or officer of its governing board, Administrative staff or agencies including but not limited to Selectmen, Town Clerk-Tax Collector, Town Treasurer, Overseer of Public Welfare, Supervisors of Check List, Trustees of Trust Funds, Trustees of Public Library, Board of Fire Engineers, Budget Committee, Inspectors of Elections from personal financial loss or expense including reasonable legal fees and costs, if any, arising out of any claim, demand, suit or judgement by reason of negligence or other act resulting in accidental injury to a person or accidental damage to or destruction of property providing the indemnified person was at the time of the accident acting within the scope of his employment or office.

**Article 33.** To see if the Town will vote to authorize the Board of Selectmen to apply for, contract for and accept State and/or Federal aid relative to disasters.

**Article 34.** To see if the Town will vote to authorize the Selectmen to hire money on the credit of the Town in anticipation of taxes.

**Article 35.** To see if the Town will vote to authorize the Selectmen to sell and transfer title to all real estate taken by the Town in default of redemption from any tax sale, to such persons and upon such conditions as they shall see fit.

**Article 36.** To see what action the Town will take on the following question: Are you in favor of updating and correcting the Town of Gilford Wetland Conservation Map to conform to changes, corrections, and the up-dating of the soil survey of Belknap County, New Hampshire by the United States Department of Agriculture, Soil Conservation Service to prevent the Town of Gilford Wetland Conservation Map from becoming obsolete and out of conformance with the soil survey of Belknap County, New Hampshire. (By Petition)

**Article 37.** To see what action the Town will take on the following question: Are you in favor of updating and correcting the Town of Gilford Wetland Conservation Map to conform to changes, corrections and the up-dating of the soil survey of Belknap County, New Hampshire by the United States Department of Agriculture, Soil Conservation Service in accordance with the reclassification of a parcel of land in the Smith Cove area of Glendale classifying said parcel of land "made land" in view of the altered soil conditions in accordance with a certain letter dated December 27, 1972 classifying said parcel, said letter being from the U. S. Department of Agriculture Soil Conservation Service, photostat of which is attached and is hereby incorporated by reference within this article. (By Petition)

On December 21, 1972, a field review was made on a parcel of land in the Smith Cove area of Glendale to evaluate published soil survey data. The area is located on sheet number 18 in the publication — "Soil Survey of Belknap County, New Hampshire" — issued November 1968. The property is owned by Mr. MaKris. The area is mapped as muck and peat on the published soil survey.

Two important statements from the description of muck and peat as used in the publication follow:

"Muck and peat consists of deposits of organic material that are 12 inches to 30 feet deep and in most places at least 3 feet deep. The ground water level is near enough to the surface to keep the plant remains saturated most of the year and thus to help to preserve them."

Two observation pits were dug by a backhoe. The approximate locations of each pit is provided on the attached map. A brief description of the soil and water table conditions follows:

Pit 1

- 0 to 4 feet — Fill material placed in the area. The material is heterogeneous, consisting mainly of mineral soil with some organic soil as well as roots, stumps and trunks of small tree growth. The mineral soil is dominantly of fine sand.
- 4 to 5 feet — Muck and peat layer. This layer was the original soil surface prior to the filling operation.
- 5 to 6 feet — Gray fine sand layer. This soil layer is water-bearing. Water table level observed at about 5.5 feet after pit was opened for about 1½ hours.

Pit 2

- 0 to 5 feet — Fill material placed in the area. The material is heterogeneous, consisting mainly of mineral soil with some organic soil as well as roots, stumps and trunks of small tree growth. The mineral soil is dominantly fine sand with some silt.
- 5 to 6 feet — Muck and peat layer. This layer was the original soil surface prior to the filling operation.
- 6 to 7 feet — Gray fine and medium sand layer. This soil layer is water-bearing. Water table level observed at about 5 feet after pit was opened for about 1½ hours.

The major part of the field work for this soil survey was done in the period 1956 - 1964. The two ob-

servation pits verify the classification of the area as muck and peat at the time the field work was conducted. The placement of 4 to 5 feet of fill, since the time of the field work, as altered the soil condition in this area. This area would be properly classified today as made land in view of the altered soil conditions

The specific area of observation for this study included only the site of the proposed boat storage building and the site of proposed leach field for the septic tank sewage disposal system. The statements in this report refer only to this specific area.

Sidney A. L. Pilgrim  
State Soil Scientist

Attachment (Attachment refers to map on site in Selectmen's office)

**Article 38.** To see if the Town will vote to authorize the Selectmen to negotiate with and to enter into an agreement with the Laconia Airport Authority and the City of Laconia concerning the leasing of and development of the airport property.

**Article 39.** To see if the Town will authorize the Selectmen to negotiate the disposal of the brown cottage at Gilford Beach.

**Article 40.** To see if the Town will vote to discontinue subject to gates and bars the following roads:

A. Liberty Hill, from the Girl Scout camp to the Belmont Town Line.

B. Varney Point Road, from end of Left Hand Road to end of Right Hand Road.

C. Terrace Hill Road, from existing road along railroad right-of-way.

**Article 41.** To see if the Town will vote to abandon portions of the following roads:

A. Lily Pond Road from 2-Way Communications on Route 11-C to Kimball Road (through Airport Authority Lands) and between Old Route 11 and new Route 11.

B. Blaisdell Avenue, from 211 on Brook Street to Route 11.

C. Liberty Hill, from Country Club Road to Route 11-A (now bisected by the by-pass)

D. Old section off Belknap Mountain Road in the vicinity of Cheseborough residence.

**Article 42.** To see if the Town of Gilford will vote to adopt the current National Fire Protection Association's Life Safety Code 101 and any revisions thereto as promulgated by the State Fire Marshall. This code deals with life safety from fire and like emergencies. It covers construction, petroleum, and occupancy features to minimize danger to life from fire, smoke, fumes, or panic before the buildings are vacated. It specifies the number, size, and arrangement of exit facilities sufficient to permit prompt escape of occupants from buildings or structures in case of fire or other conditions dangerous to life. However, private homes are excluded. This code gives the local authority the jurisdiction.

**Article 43.** To transact any other business which may legally come before said meeting.

In accordance with a resolution adopted at the 1957 Town Meeting a motion will be presented to adjourn to the Gilford Elementary School in said Gilford on Wednesday, the 6th day of March, 1974 at 7:30 o'clock in the evening to take up Articles 6 through 43.

Given under our hands and seal, this 15th day of February, in the year of our Lord nineteen hundred and seventy-four.

STEPHEN C. HARPER  
ROBERT D. WHITE  
EDWARD H. NEEDHAM  
Selectmen of Gilford, N. H.

## REPORT OF THE BOARD OF SELECTMEN

*The Board of Selectmen at their weekly meeting. Left to right, seated, Robert D. White and Edward H. Needham; standing, Mrs. Debra Eastman, Administrative Assistant to the Board of Selectmen and Stephen C. Harper, Chairman of the Board of Selectmen.*

Nineteen seventy-three was the busiest year in a long ime for the Town of Gilford. The population was estimated by the State to be 4,126, which is quite a jump from 3,844 reported in 1970 census. This year, Gilford's assessed valuation reached over 73 million dollars. Ninety-seven building permits were issued for new homes and other major buildings.

The employees of the Town in all departments are to be appreciated and complimented for their effort to meet the increased work load. A special thanks must go to the many volunteer members of Boards, Commissions and special Committees. Without this help the Town would be in poor shape.

In September, Mrs. Lorraine T. Royce resigned as Administrative Assistant to the Selectmen after nearly 15 years. She continues to serve as Town Clerk-Tax Collector for which she is very well qualified. We also congratulate Mrs. Royce on her election as President of the New Hampshire City and Town Clerks Association.

Mrs. Debra Eastman was appointed to replace Mrs. Royce as our Assistant and has done a very creditable job and will continue as our secretary.

Due to the growth of the town, we are planning to hire a professional assistant with expertise in financial and office management. He will be one of three department heads reporting to the Selectmen. He will be delegated authority in financial management, purchasing, office management, advise in personnel hiring and compensation and handle a number of other duties as our principle assistant. The other two department heads reporting to us will be Police and Public Works.

Among many of the important activities of the Board of Selectmen during the busy 1973 year was the comprising of the Town Buildings Program. This was spurred on by the discovery of weaknesses in the structure of the floor of the Central Fire Station. Planning Board Chairman, Richard Ray, is heading up an Ad Hoc Committee composed of department heads and interested citizens to study our building needs.

The Board acquired the Swain Property for the new school access road by exchanging for a piece of town-owned property on Cotton Hill.

As was voted at last year's Town Meeting, the Board of Selectmen appointed the five members of the Gilford Village Historic District. The Chairman

is Wayne Snow and the other members are Margaret Slater, Peter Sawyer, Marie White from the Planning Board and Edward H. Needham from the Board of Selectmen.

A very successful Old Home Day graced our town in 1973. We wish to thank Mr. & Mrs. Maurice Gouin and the many others who served on the Committees for their many hours of hard work.

We are happy to announce that Mrs. Sheila Weeks has accepted the great task of representing the Town in planning the 1976 Bicentennial celebration. Anyone who may be interested in becoming involved in these activities should call on Mrs. Weeks as she will need much help within the next three years.

Belmont, Laconia and Gilford have joined forces in an area energy committee to see what steps can be taken to conserve energy and to alleviate hardships which may be inflicted on local people due to an energy shortage.

Representing Gilford are Sue Robertson, Gordon Yale, Bill Fleming, Fred Shurbert, and Steve Harper. Peter Millham representing the Gunstock Area Commission and Gilford is Chairman of the Committee.

The installation of smoke detectors in all town buildings was completed in 1973 as well as a new front door and the hallway floor tiled in the Town Hall. We hope to improve the public rest room facilities during 1974.

Gene Littlefield was appointed Assistant Appraiser in our Appraising Department. All properties in the Town of Gilford were looked at and 90% were re-appraised so that we believe that each property is fairly and equitably assessed.

Many people may wish to inquire at the Appraiser's Office about the "Land Use Laws" as there

may be changes in the law before April 1, 1974. The land use law applies to any person owning a farm, growing fruit or berries, growing hay or tillage, growing a forest or trees, marsh land, wet land, and unimproved land. Anyone who, after receiving all the details, wishes to apply should do so on the proper forms before April 15, 1974.

The Town is presently being studied for the Town Sewer Plan. Aerial photography is being conducted, the location of the interceptors are being studied and the town has at this point been broken into four different phases.

The Selectmen usually meet on Thursday evenings. Everyone is welcome to visit our meetings and anyone wishing an appointment should contact Mrs. Eastman. We would appreciate knowing about anyone who is interested in serving on a Board or Commission.

Respectfully submitted,

STEPHEN C. HARPER, Chairman  
ROBERT D. WHITE  
EDWARD H. NEEDHAM

## REPORT OF GILFORD PUBLIC LIBRARY TRUSTEES

---

Each year, the Gilford Public Library seems to get busier and busier with expanded hours and services.

Two new trustees were elected in March to fill the regular vacancy and the unexpired term of Robert Edwards who moved away from the area. Mrs. Dorothy Simonds resigned after 19 years of dedicated service to the library.

Cooperation, not competition, will be the goal of the library in working with the library at the new Gilford Middle-High School.

The library sponsored two plays at the Gilford Elementary School this past spring. **The Phantom Tollbooth** was put on by Phillips Exeter Academy and **Winnie the Pooh** by the Portsmouth High School. Just before school closed, a third performance of **Alice in Wonderland** was given by the students of New Hampton School.

Rumors of no Bookmobile visits from the State Library did not materialize, so we again were able to borrow over 2,600 books, on a rotating basis.

Again this summer, the library distributed books at Lake Shore Park. This "bookmobile" service is much appreciated by the summer residents and over 340 books were circulated there.

The townspeople and friends of the library, who donated books and periodicals, made it possible for the library's most successful Old Home Day book sale. The proceeds from this sale help the library to add more new books to the present collection.

The library itself has had a few changes, the driveway and walkway to the lower entrance have been paved. New shelves and card catalogues have been added, also.

In closing, the trustees thank the townspeople for their interest and cooperation, this past year. For a small town library, we are fortunate to have such a large collection of books and periodicals and the related services that are offered.

Respectfully submitted,

ELEANOR H. LINDSAY  
HORATIO B. TOWER, JR.  
JOANNE B. LUNEAU

## REPORT OF THE LIBRARIAN OF THE GILFORD PUBLIC LIBRARY

---

1973 has been another great year at the Gilford Public Library. The circulation increased from 19,460 in 1972 to a record 21,325 in 1973. The number of borrower's cards issued to both adults and juveniles increased also.

In the spring, the tulips around the flag pole were a welcome sight. Mrs. Helen Weeks had planted them the previous fall. After they were through blooming, Mrs. Kathryn Woolston again planted the lovely geraniums which bloomed until frost. A new roof and the driveway tarring were the added improvements to the outside of the library. Inside, new, shelves, in the non-fiction room, were added. Also, new files for the expanding card catalogue.

This past August, we had our most successful Old Home Day Book Fair. We sold better than 2000 used books. Each summer, the proceeds of this fair are divided between the library and the Gilford Community Church.

We ran a "bookmobile" to Lakeshore Park. This is well received each summer and the number of books loaned make it well worth the extra time involved.

In September, Miss Gaynelle Richardson, Assistant Librarian, resigned. She is now married to Mr. Charles C. Pratt and they are living in Syracuse, N.Y. She is missed by our patrons. We now have a fine replacement, Mrs. Mary Carter. Also working as circulation clerks are Mrs. Polly Richardson, Mrs. Kathryn Woolston and Mrs. Dorothy Emilio.

This year during the Christmas season, Mrs. Sylvia Cilley loaned us the Creche which her mother has handcarved. There have been some new figures added to it since we had it on exhibit before.

I would like to again thank all our patrons for their support throughout this past year.

Respectfully submitted,

RUTH S. PRATT, Librarian

## RECREATION COMMISSION

---

### **Village Field**

During any season of the year, many varied activities may be seen at the Village Field. Increased use of the tennis courts with summertime instruction created the need of a clock to regulate the use of the courts. The Commission appreciates the cooperation of all tennis fans and their willingness to share court time.

A recent attempt to build a skating rink on the multi-purpose court is being undertaken. Any assistance in making this recreational facility available to residents is welcome.

### **Gilford Beach**

Many residents and guests flocked to the beach area to enjoy our warm summer sun. Lifeguards continued an active swimming instruction program during the months of July and August, and climaxed it with the annual water carnival. Operating on a rotating schedule of duties, an efficient team of lifeguards created a safe and happy playground.

Removal of dead trees and landscaping was necessary at the beach this past season. Additional picnic tables were purchased. Stanchions and backboards have been placed for basketball play.

### **The Edwin F. Roys Property**

Progress on the purchase of the Roys property has not been as rapid as originally anticipated due to standard procedures required by the Department of Resources and Economics Development. Action is anticipated in the near future.

## REPORT OF THE PLANNING BOARD

*Members of the Planning Board at their weekly meeting. Left to Right: Robert MacHaffie, Donna Scott, Robert Lemire, Doris MacHaffie (standing), Richard Ray, Marie White, Robert White, Selectman.*

The Planning Board has met weekly during the past year, with considerable time being spent on revising and up-dating the Zoning Ordinance and Subdivision Regulations. While meeting with developers for subdivision and site plan review, a total of 45 subdivision plats, 17 site plans, and condominium sites have been reviewed with the technical assistance of the Town Engineer.

The Board sponsored all members and the Administrative Assistant to the Lakes Region Planning Commission's Land Use Seminar in May. Due to the enthusiasm stimulated by the workshop, the Planning Board recommended and the Selectmen appointed a Land Use Committee made up of local

residents charged with compilation of pertinent data relative to modern land planning. This committee will assist the Board in up-dating Gilford's Zoning Ordinance and Master Plan. Any citizen who is interested in participating in this effort may contact a member of the Planning Board.

Coordinated efforts with town and regional governmental bodies have rounded out the Board's heavy schedule for the year, and have included :

- Assisting the Gilford School District with site planning for the Gilford Middle - High School, and providing representation on the School Building Committee.
- Initiation of an over-all plan for resource management of the Gunstock Watershed, involving the Conservation Commission and North Country Resource Conservation and Development Project officials.
- Participation in the Town Building Committee, including the up-dating of the Capital Improvement Program portion of Gilford's Comprehensive Plan.
- Development of a working relationship with the Gilford Association of Businessmen which has resulted in proposed amendments to several of Gilford's ordinances.
- Assistance in the formulation of regulations for the Historic District.
- Continuing efforts to inform the Selectmen, Regional Planning Commission, Board of Adjustment, and Recreation Commission of the activities of the Board to assure that the lines of communication remain open and working.

The Planning Board Office is open mornings Monday through Thursday, and the Board meets Monday evenings at 7:30 p.m. Your attendance at any meeting is always welcome.

RICHARD H. RAY, Chairman  
ROBERT LEMIRE, Vice-Chairman  
DONNA SCOTT, Secretary  
ROBERT WHITE, Selectman  
ROBERT MacHAFFIE  
MARIE WHITE  
KENT LOCKE  
DORIS MacHAFFIE, Administrative  
Assistant

REPORT OF  
DEPARTMENT OF PUBLIC WORKS  
1973

The above picture shows the new truck seven with sander and the reconstructed Dinsmoor Point Road.

In 1973, the Department of Public Works consisted of the following departments: Town Engineer, Highway Department, Dump, Glendale Wharves and Parking, Street Lighting and Cemeteries. In September, the Public Works Department received the Town Buildings Department which covers the maintenance and janitorial duties of the Town Buildings. The Department's operating budget was \$184,864.00 and Special Appropriations amounted to \$113,100.00 for 1973.

The Town of Gilford seems to be continuing in a building boom with the increase in roads and building.

The following data shows the increase :

	1971	1972	1973
Building Permits Issued	166	205	215
Sign Permits	21	5	27
Sewer Permits Issued (New Construction)	86	88	92
Sewer Permits Issued (Replace- ment of existing system)	42	41	35
Subsurface Disposal System Inspections	94	120	115

There were 91 permits issued for new residences and the total value of new construction as shown on building and sign permit applications was in excess of \$5,400,000 for 1973, not including the new school.

Thirteen new private and public roads were constructed this year, including Elderberry Drive, Linda Lane, Gary Circle, Chipmunk Circle, Sherwood Forest Drive, Robindale Circle, Sprucewood Drive, Haywagon Road, Strawberry Lane, Gilford Glen Road, Old Stage Road, Wilderness Trail, and the School Access Road. Also, approximately one mile of the Belknap Mountain Road was reconstructed.

The duties of the Town Engineer's Office are continuously changing — with the addition of a new department, new laws such as the OSHA Ruling and new Attorney General requirements that all replacement septic tank disposal systems, where they will have a leaching area constructed in other than the same location and elevation as the failed one, must have the New Hampshire Water Supply and Pollution Control Commission construction approval.

The Public Works Department has had a very busy construction season with the completion of the Dinsmoor Point Road, the reconstruction of Watson Road and the construction of the School Access Road. The

Department is looking ahead to 1974, with the possible addition of thirteen (13) new miles of roadway to maintain. All the men in the Highway Department have pulled together this year and should be congratulated as to the amount and caliber of work completed.

The question of a sanitary landfill is receiving considerable attention due to the "No Burn" deadline on July 1, 1974. Sites are being evaluated and the alternatives will be reviewed in the near future.

There have been personnel changes this year; Benjamin Weeks is now the mechanic, Charles Elliott a new truck driver, and Irwin Foran is now dump attendant. The passing of Leo Chandonnait was deeply felt.

A vote of thanks should go to Sheldon Morgan and Judith Murphy as they did an excellent job between Town Engineers.

As the new Town Engineer, I hope that I can follow the excellent example as set forth by H. Richard Howarth. The first eight months have been very busy, and I have met many Gilford residents.

If you have any questions about any of the Departments, do not hesitate to contact us.

Respectfully submitted,

O. JOSEPH APRIL  
Town Engineer

## OVERSEER OF PUBLIC WELFARE

---

Full employment and general good health have shown a decrease in Welfare need this year. 44 families, consisting of 120 persons, were aided by Donated Foods, Day Care Service, Food Baskets, Counseling, and Financial Subsistence.

Substantial help was given to one large family's quest for adequate housing. The truly fine cooperation of the Selectmen, State Welfare officials, local realtors, and the banking leaders is laudable.

Disaster emergency funding was again supplemented by Grant City to help one person who was "burned out."

This year's extra appropriation for "local funds" for the Day Care Center was unnecessary due to another Federal Grant guideline change. It is noteworthy that our support was helpful for two very special youngsters being promoted from the Center to Special Education classes this year.

Social Security Administration's new Supplemental Security Income program is now for limited income persons who are over 65, or blind, or disabled. A Food Stamp Plan will be replacing the donated food program in late Spring. Local news media will supply further eligibility information about both programs.

More families are still needed to share their lives with foster children in the tradition exemplified by the Carl Richardson family. May God bless Carl and his wonderful family.

When you become aware of any neighbors who might need help, please get in touch with this office.

Thank you.

WILLIAM M. CONNELLY  
Overseer of Public Welfare

## REPORT OF THE GILFORD POLICE DEPARTMENT

1973 will be a year that your police department points to with pride in the years to come. In our attempt to keep the peace in a rapidly growing community such as Gilford we have attempted to achieve a balance between the increasing population, modern attitudes, and the ever-increasing requirements for professional law enforcement.

Towards this end, training continued in 1973, with all members of the department attending classes and seminars dealing with all phases of law enforcement and public safety. By necessity an inordinate amount of time was spent by members attempting to learn the new New Hampshire Criminal Code. The volume and quality of the departments work in 1973 in the face of a total change in the laws with which we operate is a reflection of the unusually high level of education of the members of the department. Again in 1973 we feel free to boast of the number of college educated men on the department.

Although 1973 was a busy year, you will note a decrease in the number of "Calls for Service." This is due to the elimination of a category of calls previously tabulated which is no longer carried on our list. This list does not include criminal and motor vehicle offenses, both of which increased in 1973. We like to believe that our increased arrest rate has contributed to the decline in the number of burglaries and larcenies and the amount of returned property is far above the national and regional levels. The National clearance rate for such crimes is .20% and regional rates equal .18% while Gilford enjoys a .54% rate of clearance.

1973 did not meet our expectations in reduction of

motor vehicle accidents and in fact the number of injuries increased, but we were pleased to experience the first fatality free year in a number of years. We can only try harder in 1974 to improve our Traffic Safety.

The following is a comparative list of 1972 and 1973 activities:

<b>Activity</b>	<b>1973</b>	<b>1972</b>
Cruiser miles driven	123,192	113,084
Calls for police service	3,833	4,114
Criminal offenses known	487	449
Arrests/Summonses — Criminal	201	181
Property reported stolen	\$44,109.41	\$50,159.24
Stolen/Lost prop. recovered	30,654.88	35,523.86
Motor Vehicle offenses known	529	335
Arrests/Summonses —		
Motor Vehicle	477	309
Accidents — Fatal	0	2
Accidents — Property Damage	108	206
Accidents — Personal Injury	56	31
Damage Cost	\$124,121.65	\$103,020.34
Court Appearances	781	542
Fines Paid	\$21,563.00	\$16,993.40
Days Sentenced	2,237	1,946
Radar Checks made	14,471	16,714
Warnings issued	1,432	648
Defective Tags issued	421	173
Parking Tags issued	1,091	302
Checkups made	739	228
Motorist's assists rendered	190	216
House Checks made	6,736	6,515
Doors Secured	722	822
Street Lights out	27	35
Lights reported ON/OFF	199	116

We wish to provide Gilford residents and visitors with the best possible police service and would re-

mind you that we are only as good as the support you can give us. Please remember that you can not call your police department too often, and remember that we are not here only to handle criminal problems but to serve you in any way we can. A false alarm investigated is better than a crime undetected.

Thank you for your support in 1973, and may 1974 be a peaceful year to live in Gilford, New Hampshire.

Respectfully submitted,  
BRUCE G. CHENEY  
Chief of Police

# REPORT OF THE GILFORD FIRE DEPARTMENT

## I. Summary

For the period beginning January 1, 1973 and ending December 31, 1973 the Gilford Fire Department answered 161 emergency calls; an increase of 27 % over the calendar year 1972. There were no deaths or serious injuries resulting from fire during 1973 and there were no serious injuries to firefighters.

As of December 31, 1973 the floor in central station is in desperate need of permanent repairs due to cracking and penetration of moisture to the supporting members. In addition, the Fire Department is in need of more space in which to operate and of a rescue vehicle to handle the increasing number of automobile accidents and rescue calls being received.

There were no conflagrations or major fires in the Town of Gilford during 1973 and accordingly there was no significant loss of tax base due to fire. Nevertheless your fire department received assistance from other departments 37 times and rendered assistance to other departments 42 times.

## II. Manpower

As of December 31, 1973 the department is authorized 5 permanent positions of which all five are filled. During 1973 one permanent firefighter, Capt. Seely F. White, Jr., resigned to accept another position not in the fire service. The vacancy was filled by the hiring of Robert M. Landry of Gilford. As a result of promotional examinations, Lt. Michael D. Mooney was promoted to the permanent rank of Captain and Firefighter Wayne N. Gustafson was promoted to the permanent rank of Lieutenant.

Of the 22 authorized positions for Active Call Fire-

fighters, 16 were filled as of December 31, 1973. Although we expect to fill the vacancies shortly, we should point out that the increasing number of emergency calls together with the tremendous amount of training necessitated by rapidly advancing technology are making the position of call firefighter less attractive all the time, and as a result, we predict that additional permanent firefighters will need to be employed before too many years pass.

### **III. Manpower Utilization**

#### **A. Emergency Calls:**

In addition to the 12,920 manhours expended providing 24 hour coverage to the town, a total of 2,602.5 manhours were spent in response to emergency calls for an average of 16.8 manhours per call. The average attendance per call was 50 % of assigned personnel.

#### **B. Training:**

There were 65 regular or special training sessions held during 1973. A total of 2,072.5 manhours were expended in training sessions for an average of 77 training hours per man. Training included in-service training locally as well as attendance at formal classes offered by the Lakes Region Mutual Fire Aid Association at the Almond "Red" Watson Training Center and by the New Hampshire Fire Chiefs Club at the Meadowood Drill Yard at Fitzwilliam, New Hampshire. Several members of the department successfully completed advanced first aid training and three are presently taking the Emergency Medical Technician training course offered by the New Hampshire De-

partment of Health and Welfare, Division of  
Public Health Services.

Total		161

## V. Acquisition and Replacement of Motorized Equipment

### A. Acquisition of New Equipment

By submission of an article in the 1974 warrant, the fire department has requested an appropriation of \$24,000, one-half of which is to be reimbursed by federal funds, for the acquisition of a multi-purpose light rescue vehicle and equipment to handle the ever increasing number of automobile accidents, construction accidents, small brush fires, and recreational accidents and injuries. This equipment would be prepared with tools, equipment and supplies we do not now have and would obviate the necessity of a heavy, expensive piece of apparatus to handle small scale emergencies.

## B. Replacement of Equipment

As we have for the past three years, we are submitting herewith our replacement schedule through 1987.

1. 1975: Acquire Ladder Truck
2. 1979: Replace Engine #1
3. 1983: Replace Engine #3
4. 1987: Replace Engine #5

Through the cooperation of the townspeople we have thus far been able to meet our replacement schedule, and barring any unfortunate accidents we hope to be able to adhere to the schedule in order to maintain our favorable insurance rating.

Respectfully submitted,

SHERMAN O. THOMPSON, Chief  
LAWRENCE W. GUILD, JR.  
FRED M. SHURBERT  
RONALD G. HOOK

Board of Fire Engineers

## CONSERVATION COMMISSION

---

TNTC' TNTC. tntc. Sound like a new action group? It Should! When we conducted the bacteria counts in water samples gathered in 40 places in Gilford, the terrible results kept coming back, "Too Numerous To Count." Final evaluations are not yet tabulated but the rule and not the exception is that the coliform bacteria counts were substantial in the water collected by our volunteers 10 times this summer. Our volunteers were trained at the Town Hall by Sonny Stern, a lab technician at the Laconia Clinic, and they knew what they were doing. We tested at various spots along Gunstock River, Jewett Brook, Weeks Brook, Poor Farm Brook, Alton Brook, Curtis Brook, Lazy Brook, Meadow Brook, Saunders Bay, and Smith Cove. Gilford's responsibility is unique in that the entire watershed originates inside Gilford's boundaries. If we have a pollution problem we can blame nobody but ourselves for its cause and depend on nobody but ourselves for its cure. Water testing

should be conducted year-round and stricter controls should be enforced, but there seem to be no funds available. The algae problem is growing, the economics of a dying lake are known, and Gilford River runs chocolate brown after every rain.

Conservation camp is for boys and girls who want to become youth leaders in their school and community. Here they learn about and participate in a program of vital concern to every American . . . the conservation and wise use of our soil, water, air, animal life, and forest resources. This is outdoor living and learning at its best where, with other boys and girls with compatible outdoor interest . . . and guided by top experts in conservation . . . they gain first-hand knowledge of our basic natural resources and the importance of defending them against waste . . . knowledge that will stand them in good stead in the years to come. Here is a truly exciting adventure, one they will remember for the rest of their lives. Each day there are 2 field trips with professionals in wildlife, water, soil, and forest conservation; swimming and recreational periods; evening discussion or conservation film; and campfire and singing at the end of each day. This year the Gilford Conservation Commission sponsored Michael Clifford, and next year will sponsor other youth. Anyone interested may contact any member of the Commission for information. Multiple agencies are sponsoring and all inquiries are welcome.

The Gilford Conservation Commission and the Elementary School Ecology Club co-sponsored a Big Tree Contest this summer by inviting all who knew of existing trees to put them on file and compare them to record holders filed with the State. Senator Thomas McIntyre, Rick Muehlke, and Ginny Tripp are pictured with a poster prepared by the Grade

School. The biggest tree is determined by a point system. These points can be figured out for each tree in the following way: determine the circumference in inches, add the height of the tree in feet, and add one-fourth the crown in feet. The answer gives you a point count so that each aspect of the tree is involved in determining which one is the biggest — this is quite different from the tallest tree or the biggest trunk sort of thing. This is the same formula used by the American Forestry Association so that if we happen to find a U. S. Champion we are able to send the material right on to Washington. Since there were no previous entries from Gilford, we were pleased to find a challenger in the Sugar Maple category, submitted by Robert Robertson located on Morrell St. Other categories, winners, and locations are as follows: American Elm, by Lucille Allen, on Gunstock Hill Road; Basswood, by Nancy Campbell, on Belknap Mountain Road; Black Tupelo, by Doris Osgood, on Varney Point; Flowering Crab Apple, by Rolly Keith, on Weeks Road; Hop Hornbeam, by Ruth Pratt, on Belknap Mountain Road; Red Oak, by Ruth Pratt, on Belknap Mountain Road; White Ash, by Thomas O'Neil on Belknap Mountain Road; White Oak, by Dan Rogers, on Hoyt Road; and White Pine, by Melvin Morancy, on Belknap Mountain Road.

Measuring and testing were done by Rick Muehlke and figures were checked by Peter Brewett, Belknap County Forester. By stimulating interest in and a greater appreciation of trees as natural resources, the Commission hopes to obtain the cooperation of the tree owners to protect and preserve these specimens in good condition for future generations.

Your Conservation commission has undertaken various other activities during this past year. Scenic

roads are being studied for their potential for classification and therefore cannot be widened and straightened drastically or changed from their picturesqueness. The Newsletter has been sent various articles of our activities for circulation throughout the state. Kimball's Castle property and various developments are studied for their impact on the watershed, mountain slopes, and natural ponds or drainage. Delegates have attended State Association meetings such as the Environmental Housing Conference at the Sheraton Wayfarer on March 8 and the Regional Planning Meeting May 18-19 at the Brickyard Mountain Inn. When the State Water Supply Pollution Control Commissioner, Mr. Eckloff, comes to inspect, one of our members accompanies him and explains problems of the area.

## GILFORD VILLAGE HISTORIC DISTRICT

At the 1973 Gilford Town Meeting, the Town voted to establish the Gilford Village Historic District. The district covers an area from Gunstock Hill Road, down Schoolhouse Hill Road, and through the Village to the Pine Grove Cemetery. It also extends from Belknap Mountain Road, along Tannary Hill Road and Potter Hill Road, to Gary Allen's house.

The purpose of the Historic District is to preserve and safeguard the heritage of the municipality. A district as such is intended to protect areas of outstanding architectural or historic associations from encroachment by building forms or development patterns which could disrupt the visual legacy from the past. All of our villages and hamlets have a "History" which, in its own way, is unique. In order to maintain the heritage and integrity of such districts, it becomes necessary to institute extraordinary protection against visual damage. The only way to achieve such protection is to grant a measure of control over the **external** form of structures within a designated or functioning district.

Shortly after Town Meeting the Selectmen advertised for volunteers to serve as district commissioners. In May the Selectmen chose the three district commissioners, one (1) to serve for one (1) year, one (1) to serve for two (2) years and one (1) to serve for three (3) years. In addition the Selectmen named one (1) Selectman and the Planning Board designated one (1) of its members to serve on the commission as their representatives.

In order to preserve the integrity of a Historic District, the Historic District Commissioners are provided powers under RSA 31:89F, "To review and approve or disapprove considerations which effect

the relationship of the applicant's proposal to its surroundings, to the location and arrangement of structures, to the architectural treatment of the exterior features and finish of structures, and to the compatibility of land uses within the District as they may be deemed to affect the character and integrity of said District."

The commission convened its organizational meeting and selected its Chairman, Vice Chairman and Secretary and chose to consult with the State of New Hampshire Office of Comprehensive Planning for direction and guidance. The Commission then adopted rules of order for the conduct of business and developed forms necessary to control the repair, alteration, construction, demolition, etc. of properties within the defined district. The second Tuesday of each month was selected as the regular meeting night, with all such meetings being open to the public. These meetings are held at 7:30 P.M. in the Planning Board room on Potter Hill Road.

It was apparent that we should address ourselves to the all important task of developing a meaningful ordinance. Various sample ordinances and reading material was obtained from the Office of Comprehensive Planning and from this material an ordinance applicable to Gilford was compiled. As required by law the Planning Board held two (2) public hearings on the ordinance, which appeared to be very well received, and which is now included in the Warrant for consideration by the voters of Gilford.

Your commission feels that the ordinance is a good ordinance compiled with common sense and good judgement. The ordinance is open ended rather than having everything pinned down. This was purposely done so that advantage could be taken of new tech-

niques in construction and materials as they might come about.

In the year ahead the commission intends to develop a book complete with pictures and the history of each of the homes within the District. We also intend to solicit expert advice so as to develop guidelines for such items as swimming pools, fences, tree planting, tree removal, and tree trimming (especially by the utilities) as well as many other items that are necessary to insure the integrity of Gilford.

It is the hope of the commission that people will confide in us so that we can be of assistance in selecting such items as color of paint, types of siding, color of roofing materials, etc. It is our hope and intention that we will be able to act in the capacity of an advisory board rather than a regulatory agency. Your commission has a genuine interest in preserving the heritage of Gilford.

#### Gilford Village Historic District Commission

Mr. Wayne Snow, Chairman

Mr. Peter Sawyer, Vice Chairman

Mrs. Peggy Slater, Secretary

Mrs. Marie White, Planning Board Representative

Mr. Ed Needham, Selectmen Representative

*Lorraine T. Royce, Town Clerk-Tax Collector (seated, right) and staff — Jane C. Tyler, seated, standing, left to right, Larry Richardson, Marie Bartlett, and Robert Dorsch.*

*The Town Clerk-Tax Collector's Office is open 8 a.m. to 5 p.m. Monday through Friday.*

the First and Third Tuesdays of each month at 7:30 P.M.

## SCHOOL WARRANT

### State of New Hampshire

1. To determine and appoint the salaries of the School Board and Truant Officer, and fix the compensation of any officers or agent of the district.

2. To hear the reports of Agents, Auditors, Committees, or Officers chosen, and pass any vote relating thereto.

3. To choose Committees in relation to any subject embraced in this warrant.

4. To see what sum of money the district will vote to raise and appropriate for the support of schools, the salaries of school district officers and agents and for the payment of statutory obligations of the district.

5. To see if the District will vote to appropriate such sums as may be received as interest on the temporary investment of funds borrowed by the issue of bonds, for the purpose of completing construction of the New Middle School-High School, and for equipment as originally proposed, any balance of such interest not so required to be transferred to general funds.

6. To see if the District will vote to approve the establishment by the Supervisory Union of a position of School Business Administrator.

7. To see if the district will vote pursuant to RSA 31:105 to provide indemnification for district employees, school administrators, school board members, district officers or agents from personal loss or expense including reasonable legal fees and costs, if

any, arising out of any claim, demand, suit or judgment by reason of negligence or other act resulting in accidental injury to a person or accidental damage to property providing the indemnified person was at the time of the accident acting within the scope of his employment or office.

8. To transact any other business which may legally come before this meeting.

Given under our hands at said Gilford this 6th day of February, 1974.

## REPORT OF SUPERINTENDENT OF SCHOOLS

---

To the Voters of the Gilford School District :

Although I am new to your community, I have already had the opportunity of personally meeting with each and every teacher in the Elementary School and have worked many pleasant hours with your School Board members in planning for the educational future of Gilford boys and girls.

I am sure all of you are well aware of the fact that the construction of the new Gilford Middle-High School is probably the greatest educational undertaking in the long history of this school district. I know the people of Gilmanton share your enthusiasm for this project.

Your new Principal, Mr. Robert Morrison, and I have been working for many months to develop the program and staff the school while at the same time keeping the community informed as to the progress of this phase of the project. I should certainly note here that Mr. Morrison has done the greater share of laboring in the vineyards of education.

Your district will present a very changed educational posture next year with a kindergarten-4 elementary school, a new middle school and an almost full-fledged senior high school which will be "complete" the following year when the first class is graduated. We all know the cost in higher taxes has been great. However, we must realize that we are in a rather difficult period right now since the money is being expended but the school is not yet a physical

reality. I am confident that when, a year from now, you have seen the school, met the teachers and administration, and checked the program in operation, you will agree that the sacrifice has been worth it.

I pledge myself and my very able staff to this end.

Respectfully submitted,

ROBERT W. MUSGROVE  
Superintendent of Schools
